Kimberley and Savannah Tour

This 25 day tour is the ultimate road trip, through some of the most spectacular scenery this country has to offer.

Starting off in Broome WA, we head for Derby. This is where the real adventure begins. From Derby we will spend the next 6 days on the Gibb River Road, exploring the magnificent gorges and waterfalls of the Kimberley region.

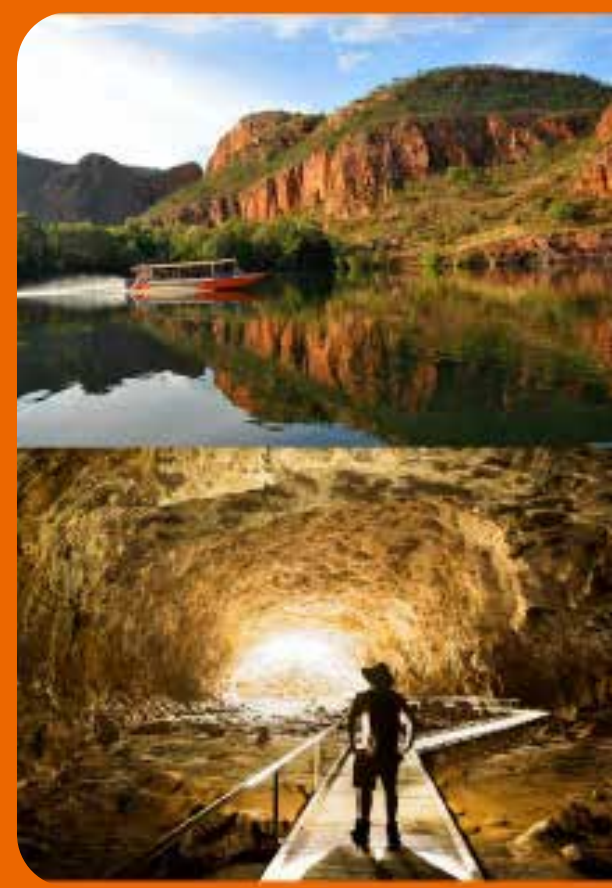

We will be camping at and exploring Wandjina Gorge, Silent Grove (Bell Gorge), as well as Manning Gorge. You will also have an afternoon free to take part in some of the many activities at Home Valley Station if you wish.

From here we head for Kununurra where we will be spending 2 nights beside the beautiful Lake Kununurra. While here, you will be treated to a boat cruise of the Ord River, as well as visiting Durack Homestead Museum.

Heading further east we arrive at Katherine for 3 days. Here we embark on another tour boat for a 4-hour, 3-gorge tour where we indulge in the natural and spectacular beauty of Nitmiluk (Katherine Gorge).

From Katherine, it's onto Mataranka for a relaxing evening in the hot springs. Then we head for Lorella Springs Station and Burketown on our way to Normanton for 2 days. Here we will have a day out on the Gulflander Train.
