

## Moonan - Nundle Tour

As part of our Summer Series of tours, our Moonan Nundle tour is a great 3 day escape.

# Summer series

Starting with a breakfast at Finnan Park, Raymond Terrace on Saturday morning, we head for Muswellbrook where we will visit Hunter Belle Cheese Factory, before heading to Moonan Flat for the evening. Following breakfast, we head for Nundle via Ellerston, with no less than 20 creek crossings on this road. On arrival at Nundle, be sure to check out the Nundle Woollen Mill. Dinner for this evening will be provided for you at the Peel Inn Hotel. On the final day of this weekend tour we will visit Burning Mountain at Wingen. Burning Mountain is an underground coal seam that has been burning for 5500 years. This is where we part company and head home, having had a great weekend and met some wonderful new friends.
